

OCTOBER

Building Inspection & Code Enforcement News letter

October 20, 2015

Volume 1

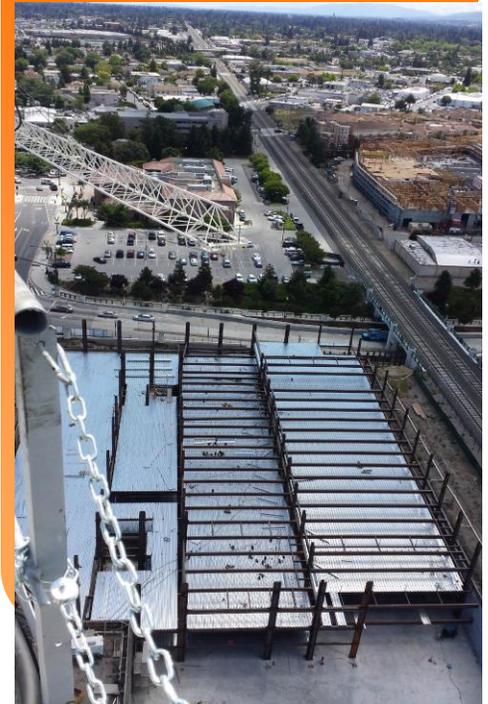

Trick-or-Treat: Permits & inspections

This year City building inspection & permits numbers are higher than ever before:

- Average of 1,750 inspections per month.
- Over 2,000 site inspection.
- Issued 2,689 permits.

Did you know smoke alarms and carbon monoxide alarms are required for final inspection?

Can you guess where this Site is?

Did you know we have currently 664 cases opened to date. This average comes at 73 complaints per month.

Response time is 24 hours. Great job Code Enforcement Team.

Hot Topic : Home Occupation

- ❖ A home occupation is a business that is conducted from a single-family dwelling, duplex, apartment, or mobile home and is clearly incidental to the residential use of dwelling. All home occupation must conform to the City of Redwood City Zoning Ordinance section 2.50. For more information please contact Planning Department at (650) 780-7284 or visit www.redwoodcity.org. Please click [here for Home Occupation](#) flyer.
