II. COMPENSATION

MARKET EQUITY and SALARY SETTING

The comparable labor market will include those cities that provide full-service, are in the Bay Area job pool, recognized as excellent organizations, and have comparable service outputs. These cities include Alameda, Berkeley, Hayward, Mt. View, Palo Alto, San Leandro, San Mateo, South San Francisco, and Sunnyvale. The market study shall be based on total compensation, including such factors as salary, benefits, and other employer payments typically considered when determining total compensation.

Upon Council direction the City Manager shall request external labor market comparisons for all classifications in the Executive Management Group. Upon review of the labor market comparison and the City's financial condition the City Council may approve implementation of new salary ranges for the Executive Management Group.

Individual Executive Management salaries for Department Heads are reviewed by the City Manager on an annual basis and are set anywhere within the established range based on performance. Individual Executive Management salaries for Division Managers are reviewed by the Department Head and recommended to the City Manager on an annual basis and are set anywhere within the established range based on performance.

INTERNAL ALIGNMENT

All Executive Management classifications shall maintain a minimum differential of 10% above subordinate classifications. The comparative analysis shall include the top of the range of the executive classification and the top of the range (or top step) of the subordinate classification. Premium pay received by the subordinate classification will be included in the comparison if such pay is received on a regular and continuous basis, and the supervising classification is not similarly eligible for such pay. Adjustments in salary ranges to maintain the differential will be effective the same date the subordinate class received the adjustment.

Due to the Police Department reorganization and two-tier salary plan effective September 10, 2012, the classifications of Police Captain, Deputy Police Chief, and Police Chief shall be exempt from the internal alignment standard through June 30, 2018. Salary adjustments for these classifications shall be granted annually, with the intent of achieving the ten percent (10%) internal alignment standard over time.

Adjustments to salary ranges due to compaction may be approved by the City Manager for immediate effect, and such changes shall be submitted for Council approval as soon as practical.

EXCEPTIONAL PERFORMANCE BONUS

The City Council shall establish a bonus program for the Executive Management Group that will offer incentives and commensurate rewards for exceptional service or contributions. Any bonus granted under this program is at the discretion of the City Manager and is awarded when previously established stretch goals have been met or when the City Manager deems it appropriate. Employees in the Executive Management Group are eligible to receive up to a 5% of their base salary one time each fiscal year. It is not expected that all positions will receive bonuses each year since this program is intended to recognize only exceptional performance. This program is not a method of recognizing expected or above average performance. Again, the Bonus program is only for exceptional service to the city or community. Any bonus awarded under this program is not considered part of base salary nor is there any intention that any bonus serve as the basis for any future compensation.

Annually as part of the budget process, the City Manager recommends to Council an amount to be appropriated for this program for the ensuing fiscal year. This amount may be based upon experience and may be expanded or reduced in accordance with the City's financial prospects and the City Manager's/City Council's satisfaction with the program.

CITY PAID DEFERRED COMPENSATION CONTRIBUTION

Effective October 1, 2001, the City shall contribute 2% of compensation to a deferred compensation program for all Executive Management classifications.

All Executive Management employees shall be eligible to participate in the plan if they are employed as the City Manager, City Attorney, City Clerk, or are a Department Head, Deputy or Assistant Department Head, or Division Manager of the City of Redwood City.

The City paid contribution of 2% of compensation will go into a 401-A plan for the applicable classifications, as defined in plan document. Employee contributions shall be mandatory and determined by the City in accordance with the plan document and I.R.S. guidelines. Employee contributions effective January 1, 2017, or upon Council approval of the amended plan, whichever occurs later, shall be as listed in Appendix A.
